WORK EXPERIENCE

US Army National Guard   **Dec. 2020 – Present**
Team Leader   *Moncks Corner, SC*
- I am currently deployed overseas with the National Guard and will return in August 2023.
- Awards I have received:
    - Army Commendation Medal
    - Army Achievement Medal
- I am a certified ambassador for the Army's Sexual Harassment/Assault Response and Prevention Program.
- I am a certified Combat Life Saver which is the Army's medical training course.

Software Development   **Jan. 2015 – Present**
                                                                 Summerville, SC
- I have my own resume website at https://collinnapier.com
- I created a web application for my grandmother's billing career that parses Excel worksheets to generate customer invoices from contracts. It has saved her hundreds of hours by automating what used to be a manual task.
- For years I have been passionately interested in software development and IT for years and have done it as a hobby ever since I was 14.

Home Field Yard Service   **Jun. 2018 – Dec. 2020**
Owner   *Summerville, SC*
- I owned and managed a yard service company in the Summerville area serving residential and commercial clients.
- We had roughly 20 clients during the summer months and 2 employees.
- I sold my portion of the company to my business partner to pursue further education by joining the Nation Guard.

Sweet Frog   **May 2017 – May 2018**
Assistant Manager   *Summerville, SC*
- Created daily store revenue reports.
- Oversaw staff and handled customer issues.

EDUCATION

University of South Carolina   **Aug. 2018 – May 2020**
Computer Science   *Columbia, SC*
- I completed two years at USC and took a break to join the National Guard to pay to finish my degree.
